I

INNOVATION

Avant-garde

- Our Unique Collection sets us apart from the competition and attracts new customers
- New products developed each year based on the latest trends

In-house innovation team

T

TRAITS THAT STAND APART

Excellent price/quality ratio

- Finish offering the best balance between abrasion resistance, adherence, flexibility and beauty in the industry
- Each year our R&D team improves the properties of the finishes
- Model Extreme®: the toughest residential finish in the industry

Consistency: Smoother and more even boards, consistent grades and defect-free products

FSC® : FSC® is the most stringent organization for sustainable forest management. We offer FSC® certified products at no extra cost for our solid hardwood flooring (ash, maple, birch, silver maple and red oak) * Subject to availability

GREENGUARD GOLD : All of our prefinished products are GREENGUARD GOLD certified. GREENGUARD Certified products are certified to GREENGUARD standards for low chemical emissions into air during product usage.

Supply: Close cooperation with our shareholder partner, Scierie Dion, allows us to provide you with raw materials beyond compare

Incomparable warranty: The 10% approach (refer to warranty)

Possibility of ordering through the Internet and checking the availability of our inventory in real time through our pgmodel.com

No minimum order required

E
